Ha Nguyen

UI/UX Designer
Ho Chi Minh City, Vietnam

Summary

I am a UI/UX Designer with over 5 years of experience specializing in user experience design. I have had the opportunity to work on diverse projects, ranging from mobile applications to web platforms. My skills include creating creative and efficient user interface designs, ensuring optimized and user-friendly experiences. I am proficient in design tools such as Adobe XD, Sketch, and Figma to create designs from concept to final product. Additionally, I prioritize user feedback and analytics data to iterate and improve products.
