Head of Events

juillet 2018 - août 2021 (3 ans 2 mois)

Hue, Vietnam

During my time working in the position of Head of Events, I have learned lots of things from all the members whom I working with. I know how to give tasks to others that improve my teamwork and leadership skills, know the way to solve difficult problems quickly.

It also gives me a chance to work with well-known people, so I really become more confident than before in communicating with other people
