Hy Nguyen

DevOps Manager at StorAI

Ho Chi Minh City, Vietnam

Summary

I'm work as DevOps Engineer with 5+ years of hands-on experience in architecting/automating and optimizing mission critical deployments over large infrastructure. Proficient with Configuration Management tools, and in developing CI/CD pipelines. Furthermore, I am an enthusiastic and detail-oriented person who can handle pressure well and work independently or in a team. I always keep myself updated with the latest technology and eager to apply it to my work
