# Nguyễn Bá Vũ

Manual tester

Ho Chi Minh City, Vietnam

## Summary

As a Manual Tester with over 2 years of experience, I have developed skills in analyzing requirements, writing and executing test cases, estimating tasks, and reporting bugs. I am familiar with tools like Jira and MS Office. My short-term goal is to improve my expertise in manual testing and start learning about automation testing. In the long run, I hope to become proficient in both manual and automation testing to advance my career as a Quality Assurance Engineer.
