Mandy Nguyen

Senior UI/UX Designer
Ho Chi Minh City, Vietnam

Summary

Hi, I'm Mandy Nguyen

I'm a product designer based in Ho Chi Minh City, Vietnam, with experience in delivering end-to-end UX/UI design for software products.

I work with clients to create innovative and effective user interfaces that help them get the most out of their products.

I always strive to create a user-friendly experience that is easy to use and looks great on any device. My approach to design is user-centric and I put the user first.

I enjoy the challenge always and willing to learn something new.
