Summary

With over such experience in the field of People & Culture Development, Thang is a passionate and driven leader who strives to empower people and culture with his coaching, training and HR expertise. He is currently the Organizational & People Development Deputy Manager at Piaggio Group, a global leader in the people and culture sector, where he oversees the talent management, learning and development, and employer branding initiatives for the Asia Pacific region.

Thang is also a certified professional coach who specializes in emotional, life, leadership, and career coaching. He has helped numerous clients achieve their personal and professional goals, transformation, overcome challenges, and enhance their well-being and performance. He believes that coaching is a powerful tool to unlock the potential and creativity of individuals and teams, and to foster a culture of trust, collaboration, and innovation. His mission is to do things better by people inspiring, developing, learning, motivating, sharp and bold their life color.
