## Top Skills

Appium

Mobile Testing

Test Automation

## Languages

English (Professional Working)

Vietnamese (Native or Bilingual)

## Certifications

Spring framework and dependency injection for beginners

Core Java

# Diep Nguyen

Automation Tester

Ho Chi Minh City, Vietnam

## Summary

Nearly 2 years of experience as a manual tester. Now I want to challenge myself with a new role - Java fresher. I went through a basic Java course on Coursera.

My Java knowledge is not really good but I want to find a place to practice and experience myself.

---

## Experience

...

Automation Tester

July 2019 - Present (5 years 9 months)

Ho Chi Minh City, Vietnam

Framework: Selenium, Appium

### Imic Technology Center

Learner

July 2019 - September 2019 (3 months)

14 Phan Ton street, ward Dakao, district 1, HCM city

With this course, I try to reinforce my knowledge about java core and have opportunities to practice/build simply app together with younger classmates. The duration is 2,5 months for this course. After that I hope to get a offer as Java fresher at somewhere is able to train me more on Java EE or Java ME. Looking forward to hearing from you soon.

Tool: IntelliJ, Git
