Tam Nguyen

Software Test Engineer
Da Nang City, Vietnam

Summary

I am an experienced Manual Tester with 3 years of expertise in ensuring software quality. My background includes extensive experience in manual testing:

Core Skills:

1. Testing: Confirmation Testing, Regression Testing, API Testing, SQL, Performance Testing
2. Tool: Redmine, JIRA, Slack, Trello, Xray, Postman, JMeter
3. Collaboration: Effective in working with cross-functional teams to ensure comprehensive test coverage and meet quality standards.

I am committed to delivering high-quality software by identifying and resolving issues early in the development process. Let's connect if you need a detail-oriented Tester to ensure your projects succeed!
