Jun Nguyen

UI/UX Designer
Ho Chi Minh City, Vietnam

Summary

I'm Jun, a Vietnam born digital designer currently looking for opportunities in UI/UX job. Over the 4years of my career, my portfolio includes user interface design, brand & identity design, illustration, and photography. While at Central Group the last year, I've worked on printing and social media artwork for a range of international retailers (Mark&Spencer,F&F, Lee Jeans), in the major of fashion.

Since leaving Central Group, I've gained a wealth of both freelance and agency experience. Now, I'm mainly working with startups as a freelancer, includes Jen Trading, Yoonek Studio, Jennie Beauty.

If you think I'd be a good fit for your team, please get in touch and we can chat.
