Huyen Nguyen (Karen)
Business Data Analyst
Ho Chi Minh City, Vietnam

Summary

I've been a Data Analyst for 6 years. I enjoy working on data with
complex, time-sensitive tasks/projects while maintaining a high
degree of accuracy and productivity.
Working in a service company brings me knowledge about fields
such as Sales, Finance, Inventory, Banking, Procurement, Refinery.
That great values help me so confident about my journey and
promote me to try and try every day.
I want to improve myself, increase my knowledge of new fields, and
advance in work in the future.
