Nguyen Xuan Binh

Software Engineer - FE at SAI Digital.
Ho Chi Minh City, Ho Chi Minh City, Vietnam

Summary

Hello everyone!

Welcome to my profile. I'm a Front-end Web Developer who love to learning new technologies and applying to work. I like to push myself into new challenges so I can gain new experiences and improve my skills better than before.

With more than 3 years of experiences, I have good knowledge about e-commerce and CRM (Customer Relationship Management) development. I also know a little bit of web server development and UI/UX design too.

Feel free to contact me if you want to talk about programing, technologies and communications.

Programing skills:
React | Angular | Javascript | Google scripts

Software skills:
Magento 2 | Wordpress | Google Workspace (G Suite)
