CVE-2024-27105

Nguyen Vuong Quoc

Penetration Tester

Ho Chi Minh City, Vietnam

Summary

Hello, I am Nguyen Vuong Quoc, a student majoring in Information Security. I am passionate about finding security vulnerabilities and want to move to Red Team after gaining experience in Pentest. My goal is to challenge myself and improve the security systems of organizations through hacking and vulnerability detection. This helps me develop my skills and better understand how hackers attack to come up with more effective security solutions.
