competition 2022,2023.

Nguyen Hung

-- AI Engineer--

Phường Khương Đình, Hanoi, Vietnam

Summary

I am a senior student at PTIT.
I have been studying and researching AI at Naver lab PTIT and IEC PTIT.
During my studies at PTIT, I participated in many competitions both inside and outside the Institute. Therefore, I have experience in many fields of AI: CV, NLP, RL,... My experience is mainly in CV, and currently, I am working with digital humans and have some experience with RAG, GraphRAG, Langgraph.
