UI UX Designer
March 2022 - January 2024 (1 year 11 months)
Cầu Giấy, Hanoi, Vietnam

Product Designer
March 2022 - January 2024 (1 year 11 months)

Applied a comprehensive approach to product design, considering user needs, business goals, and technical constraints to create solutions that align with the overall product strategy.
Cross-functional Collaboration: Worked closely with product managers, developers, marketers, and other stakeholders, fostering effective communication and collaboration to ensure a cohesive product development process.
Iterative Prototyping: Engaged in iterative prototyping and user testing, gathering feedback and refining designs to deliver high-quality, user-centric products that evolve based on real-world usage and user insights.
