Nguyen-Khoi Hoang

Software Engineer at Ascenda

Ho Chi Minh City, Vietnam

Summary

I am addicted to programming since 15 year olds. I started with competitive programming, gained many prizes in this field. I like the feeling when coding and understand the codebase, let the code run inside my head and try to optimize it. I want to become good back-end engineer.

Experience

Ascenda

4 years

Executive Software Engineering

March 2023 - Present (2 years 2 months)

Ho Chi Minh City, Vietnam

Junior Software Engineer
