Résumé

At the helm of Eggflow, I've spearheaded the creation of a cutting-edge eCommerce and marketing platform, harnessing my deep expertise in Shopify applications and integrations. My tenure has been marked by forging strategic partnerships as a Google and Facebook Marketing Partner, ensuring our solutions are at the forefront of industry innovation.

Expérience

Namitech

AI Product Manager
novembre 2023 - Present (1 an 5 mois)
Ho Chi Minh City, Vietnam

VoiceGate Development: Building real-time voice recording systems integrated with AI for robust verification and fraud prevention.
InsurTech and FinTech Solutions: Enhancing operational efficiency and customer experience in the Insurance and Finance sectors.
AI & LLM Integration: Applying advanced AI technologies to innovate and scale industry-specific solutions.
Compliance & Security: Ensuring data integrity, privacy, and adherence to global standards.

Eggflow

Co-Founder
août 2018 - Present (6 ans 8 mois)
Ha Noi, Viet Nam

Built a robust eCommerce platform: Designed and developed solutions to help businesses grow their online presence and optimize operations.
Created a cutting-edge Marketing platform: Enabled businesses to enhance customer acquisition, retention, and engagement through innovative tools.
Developed top-rated Shopify Apps: Delivered user-friendly applications for Shopify merchants, focusing on traffic generation, SEO optimization, and sales growth.

Recognized Shopify Experts: Provided expert services to Shopify merchants, including app development, store optimization, and marketing strategies.
Google & Facebook Marketing Partner: Partnered with major platforms to integrate advanced advertising solutions and analytics into our applications.
Seamless application integration: Enabled businesses to streamline workflows by integrating third-party tools and platforms for enhanced functionality.
Achievements:

Empowered thousands of Shopify merchants globally.
Maintained a 4.4+ average app rating across 6 years of development.
Established Eggflow as a trusted name in the eCommerce and marketing industry.
