Minh Nguyen

Project Manager at Oivan
Ho Chi Minh City, Vietnam

Summary

Open-minded, creative, and hard-working person with professional
working ethic.

During the period of establishing and managing my own startup,
I have gained many experiences in HR activities, marketing
coordination, business intelligence, data collection and reporting.

Moreover, I am punctual, customer-oriented, and careful with the
ability of handling stressful work under pressure. I am also flexible
and adapt easily to new environment.
