Khuat Nguyen

Mechatronics @ Hanoi University of Science and Technology
Hanoi Capital Region

Summary

A Mechatronics Engineering student at Hanoi University of
Science and Technology with a strong foundation in engineering,
I approach challenges methodically, always seeking optimization
and improvement. Passionate about learning and innovation, I love
experimenting with new ideas and pushing the boundaries of what
technology can achieve.

Experience

BK AUTO
Member of the AI Teams
September 2024 - Present (7 months)
Hanoi Capital Region

Developed AI systems for autonomous vehicles, focusing on automation and
optimization.

Education

Hanoi University of Science and Technology
Master of Science - MS, Mechatronics, Robotics, and Automation
Engineering · (August 2023 - May 2028)
