Minh Phat Nguyen

DevOps Engineer

Ho Chi Minh City, Vietnam

Summary

I am a determined DevOps engineer with over a year of experience, passionate about building reliable systems and automating processes to create efficient, scalable workflows. With a strong focus on problem-solving and continuous improvement, I take pride in ensuring smooth operations and high-performance infrastructure. I am driven by a commitment to excellence and am always looking for opportunities to grow, contribute, and make a meaningful impact in dynamic and fast-paced environments.
