Tri Nguyen

Project Manager, Data Analyst, Data Engineer @ FPT Software | CSM® | PMP®

Ho Chi Minh City, Vietnam

Summary

With over a decade of experience at FPT Software, I specialize in managing data and AI-driven projects as a Project Manager, Data Analyst, and Data Engineer. I have a proven track record of leading large-scale data transformation and AI implementation initiatives, delivering actionable insights and strategic value.

Certified as a PMP® and ScrumMaster® (CSM), I combine technical expertise with strong leadership to drive efficiency and innovation. Passionate about digital transformation, I aim to help organizations optimize their processes and unlock the full potential of data and AI.

Looking forward, I aspire to leverage my experience in a consulting role, guiding businesses to align technology with their goals and thrive in a data-driven future.
