Résumé

My story: https://www.nguyentantoan.com/

Hi! I'm Toan Nguyen. I'm a Product Designer with over 5 years
of experience, based in Vietnam. I'm passionate about building
high-quality, innovative solutions that deliver exceptional user
experiences.

Throughout my journey, I've contributed to diverse projects across
various industries, taking pride in their positive impact on both
businesses and users.

My expertise includes Design Strategy and progress, User
Research, UI Design, Design Systems, and Usability Testing. I
specialize in the entire design lifecycle, ensuring a comprehensive
approach to crafting exceptional user experiences.

If you're interested in talking, please send me a message to connect!
