Become a Graphic Designer

Tommiez Nguyen

Experienced UX/UI Designer
Ho Chi Minh City, Vietnam

Summary

With 3+ years of experience in UI/UX design, I specialize in turning customer pain points into engaging interfaces. Skilled in managing design systems, user research, wireframes, prototypes, and collaborating with developers, analysts, and clients. I've created numerous websites and apps for various businesses.

In the next 2 years, I aim to inspire and spread the passion for user experience design.

Experience

TVT GROUP CORPORATION
Design Lead
June 2024 - Present (10 months)
Quang Trung Software Park, Street 13, Tan Chanh Hiep, District 12, HCMC
